### ABOUT THE COMPANY

*'OUR PURPOSE IS TO INSPIRE AND CREATE TRANSFORMATIVE JOURNEYS  
THAT POSITIVELY BENEFIT BOTH PEOPLE AND THE PLANET.'*

RAW Travel is a boutique tour operator on Victoria's Mornington Peninsula that specialises in iconic walking adventures worldwide. We aspire to be one of the world's most inspiring and innovative walking companies and were the first hiking company globally to achieve the prestigious B-Corp accreditation.

RAW Travel is an exciting company to work for and is built on a real passion for active travel and what it delivers for our clients. We are innovators and have a very loyal client base, built on many years of providing great service. We are an established business with more than 20 years of experience but we don't try and run trips everywhere – we prefer to offer real expertise and useful advice on the ones we do.

All our Travel Product Specialists are passionate, well-travelled walkers. They deliver a level of advice and experience that comes from being 100% focused on our chosen walks, rather than hundreds of different trips.

RAW Travel has remained a personal and bespoke service and travelling with us has always been about experiencing the world and local people with authentic walking adventures. We passionately believe that walking trips offer unique experiences to travel sustainably with opportunities for authentic travel and personal challenges. Our purpose is to inspire and create transformative journeys that can benefit both people and the planet.

Providing a personal, friendly service is core to our success. We genuinely love our travellers and the fulfilment of their travel dreams is our passion. Any prospective team members must share our values and commit to the mission of providing outstanding customer service while upholding our ethos of being an ethical and responsible business.
